CERTIFICATIONS

The Complete Ruby on Rails Developer Course (Udemy) · Complete Web Development Bootcamp, React, Node, Web3 (Udemy)

Python and Django Full Stack Web Developer Bootcamp (Udemy) · Flutter & Dart, The Complete Guide (Udemy)

ABOUT

I lead product and engineering end to end from discovery and architecture through production launch. I specialise in AI/LLM products, healthcare platforms, commerce systems, and CRM automation, using agentic workflows to ship faster without sacrificing quality.

EXPERIENCE

Product Manager · Software Architect

Dec 2025 to Present

Slymbee

- Own product direction for patient, pharmacy, and admin journeys
- Lead API architecture, automation, and scalable Next.js / Rails solutions

Senior Python Engineer, LLM Training

Sept 2024 to Jan 2026

Turing

- Led review quality for RLHF tasks created by other trainers
- Handled SFT tasks: dataset preparation, cleaning, annotation, and formatting

Product Manager · Software Architect

Sept 2024 to Jun 2026

Happen

- Owned product outcomes across patient and ops journeys
- Led API architecture, automation, and scalable Next.js / Rails solutions

Technical Lead · Python Developer

Sept 2022 to Aug 2024

Elements Info Tech

- Led technical decisions and development for Happen, a UK based medical app
- Led backend development using Django for CRMs and marketing apps for tax rebate firms

Python Developer

Dec 2019 to Oct 2022

genZtech

- Specialized in backend development using Python for API only applications

Graduate Research Fellow

Sept 2017 to Sept 2019

ITU Lahore

- Conducted research in AI, ML, and DL on the Roboceptionist project

SELECTED PROJECTS

Slymbee

UK pharmacy comparison platform for weight loss prescriptions.

Happen

UK weight loss medication platform patient journeys, CRM, and integrations.

E Commerce OS

Multi tenant commerce OS with admin, storefronts, and APIs.

Content OS

LLM powered video generation pipeline for short form content.

Waymate

Subscription carpool app for recurring daily routes, live in Lahore.
